

ORGANIC RESIDUALS  
SERVICES

## Greenology at work.

TERRA renewal serves food processors, municipal water and wastewater treatment operators, the pulp and paper industry and large farming operators trying to keep pace with changing and tightening “clean water” regulations.

**TERRA**  
renewal

# We can Recycle and Dispose of:

- ▲ DAF skimmings
- ▲ Industrial sludge and sediment
- ▲ Manure
- ▲ Grease trap waste
- ▲ Biosolids
- ▲ Scrap or rejected product generated during food processing
- ▲ Settled solids from municipal water and wastewater treatment facilities

We recycle **organic residuals** for:

- ▲ Water and wastewater municipalities
- ▲ Large farming operations
- ▲ Food processors
- ▲ Pulp and paper companies

**Our services** are:

- ▲ Safe, clean, environmentally conscientious solutions
- ▲ Reliable material handling by experienced drivers with state-of-the-art-equipment
- ▲ Low-cost alternatives to other disposal options
- ▲ Flexible services for special projects and emergencies
- ▲ Available 24 hours a day, 7 days a week, 365 days a year

**Terra Renewal**, founded in 1995, serves more than 7,000 customers in 18 states with an emphasis on environmentally conscious recycling plans, daily service and safe, reliable drivers.

We offer the following **green services**:

- ▲ Residuals management
- ▲ Lagoon/digester clean out
- ▲ Dewatering
- ▲ Industrial waste cooking oil recycling
- ▲ Environmental services
- ▲ Land application
